Call for communications

Scientific Days

APRIL 29-30, 2023

ADvances in Optics and Photonics (ADOP 2023)

ADOP2023 aims to be an effective scientific meeting allowing researchers and doctoral students to discuss recent technological developments and advances in the field of optics and photonics. In addition, this meeting is intended to be an opportunity to reactivate and sustain the activities of OPALS.

- ⇨ **All the themes of photonics and optics are concerned**
- ⇨ **Submission: a 1-page abstract (title, authors and affiliation, summary and bibliographical references-see the attached template)**

Important dates:

- April 10: deadline of submission
- April 20: acceptance notification to authors
- April 29-30 : conference

Participation fees: 3500DA (doctoral students)/7000 DA (Teacher-researcher). They cover coffee breaks, 03 lunches and OPALS membership.

Program

- Invited conference
- Poster session
- General Assembly of OPALS
- Election of new OPALS board members

Scientific Committee

E.H. Amara, CDTA, Alger
M. D Beghoul, UMSB, Jijel
A. Belkhir, UMMTO, Tizi Ouzou
S. Benghorieb,UFA, Sétif
M. Benhalibia, USTOMB, Oran
A. Boudrioua, Paris 13, France
A. Chafa, USTHB, Alger
M. Challal, UMBB, Boumerdes
A. Chelouche, UAM, Bejaia
H. Chikh-Touami, HSS, Alger
N. Demagh, UFA, Sétif
R. Hamdi, U. 8 Mai 45, Guelma
M. Hamidouche, UFA, Sétif
H. Kellou, USTHB, Alger
O. Lamrous, UMMTO, Tizi Ouzou
A. Mezeghrane,UMMTO, Tizi Ouzou
Y. Ouerdane, UJM, France
L. Si Mohammed, USTHB, Alger
T. Touam, UBMA, Annaba
O. Ziane, USTHB, Alger
