

Partnership Agreement

The **University of Limerick Language Centre (ULLC)** and **TESOL Section, School of Modern Languages and Applied Linguistics (MLAL)** are very pleased to enter into an Agreement with Tizi Ouzou University to deliver English Language Development, Pedagogical Development and Digital Skills Development to participants from Mouloud Maameri, Tizi Ouzou University.

ULLC will deliver English language, English for Specific Purposes and will work collaboratively with the TESOL Section, School of Modern Languages and Applied Linguistics (MLAL) for the provision of Pedagogical Development and Digital Skills Development classes to the course participants.

The programme will feature:

- Small groups
- Interactive and communicative teaching
- Networking opportunities
- Cultural and social events
- IT training and support
- Access to the library
- Access to campus sports facilities

To support the visa applications of the course participants, ULLC will state on the invitation letters that we fully accept the need for fee payment on arrival in Ireland and do not require it before arrival.
